

Can We Afford \$1 To Change the World?

Some Interesting Facts:

- We spend \$1,641 every year for every *dog* in the country
- We spend \$323 per person per year on *alcohol*
- We spend \$397 per person per year on *gambling*
- We spend \$202 per person per year on *beauty products*
- We spend \$40 per person per year on *plastic surgery*

On the Other Hand:

- ODFL is feeding Kenyan orphans protein every day for \$2 per child *per year*
- We have helped save 30 girls in Nepal from slavery for \$21 per girl
- We are providing books to help native Toltec speakers in Yucatan learn to read Spanish for \$.77 (*77 cents*) per reader
- We are helping South African children learn computers for \$3 per child
- We have helped reduce the number of women dying in childbirth in Baglung province in Nepal by more than 90%. The cost? \$1.

So, you decide. Can we afford \$1?
