Classrooms in Kenya

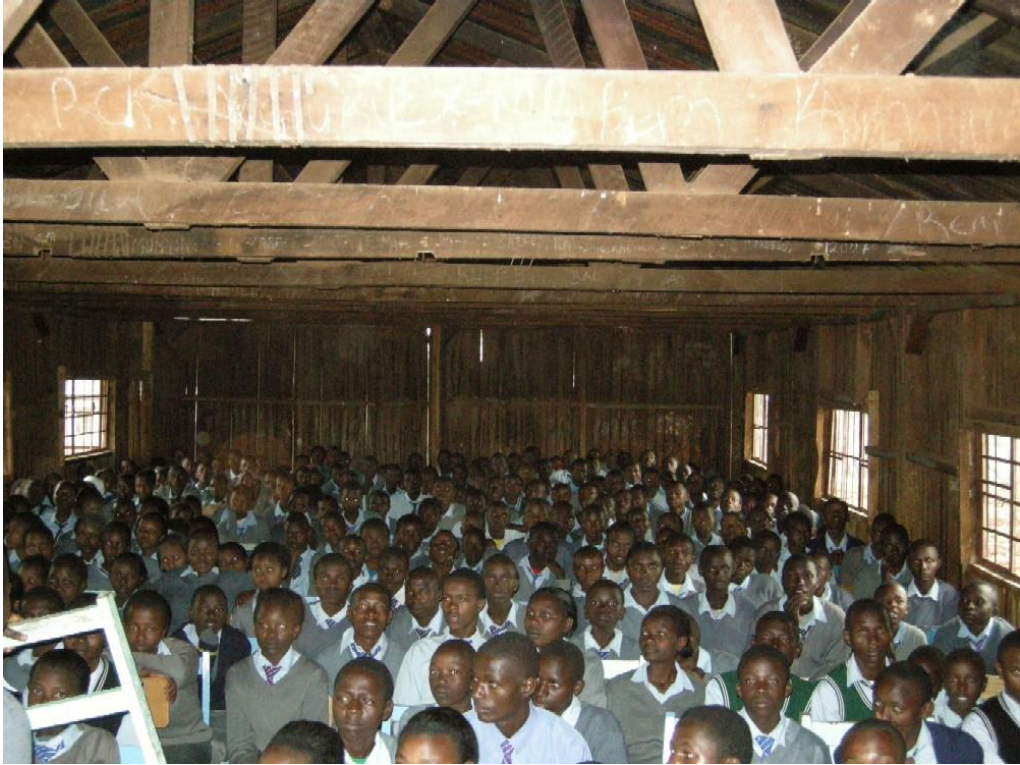

ODFL has funded new classrooms at five different schools in Kenya. We are building another one, now, at Ngungu. The new classrooms represent an astounding improvement over the old. Each will last for decades and serve *thousands* of students. They cost between \$9,000 and \$15,000 apiece. These classrooms are, respectively, in the villages of Ngenia, Naro Moru, Mureru, Mathaiti, and Gakawa (not shown).
